SEABREEZE 1973

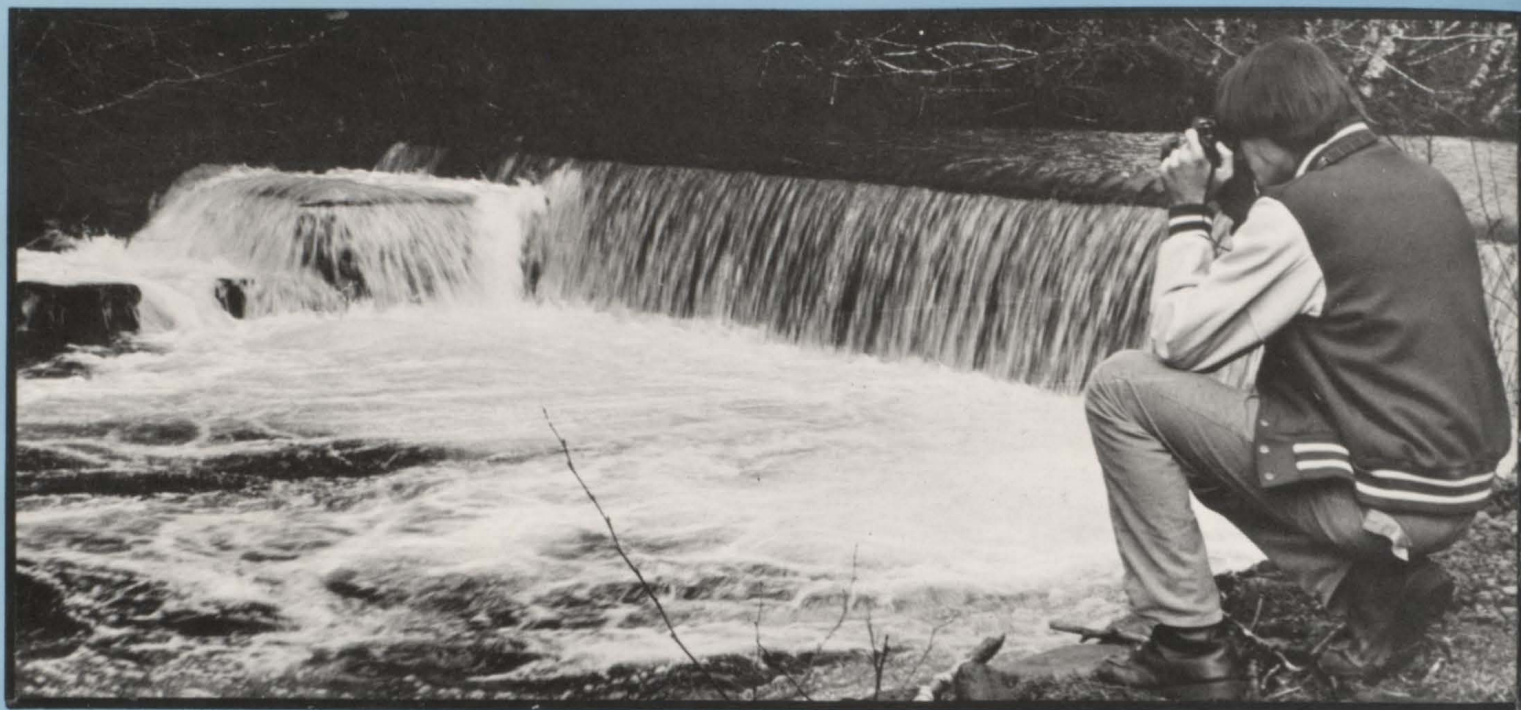

This edition of the Seabreeze, has been dedicated by the 1973 yearbook staff to our worthy advisor, Mr. Donald Muno, who has devoted a greater portion of his last six years in Seaside to the improvement of journalistic quality in our yearbooks, with emphasis on self improvement and development through learning.

His time and superior efforts were not always appreciated, however this is a final expression of our extreme gratitude as we wish him the best as he so fairly deserves it next year at Oregon City.

HOMECOMING

"Hot" Wood Dampens Fire

Mr. Stacey thoroughly enjoying himself.
mmmmmmmm.... Good!

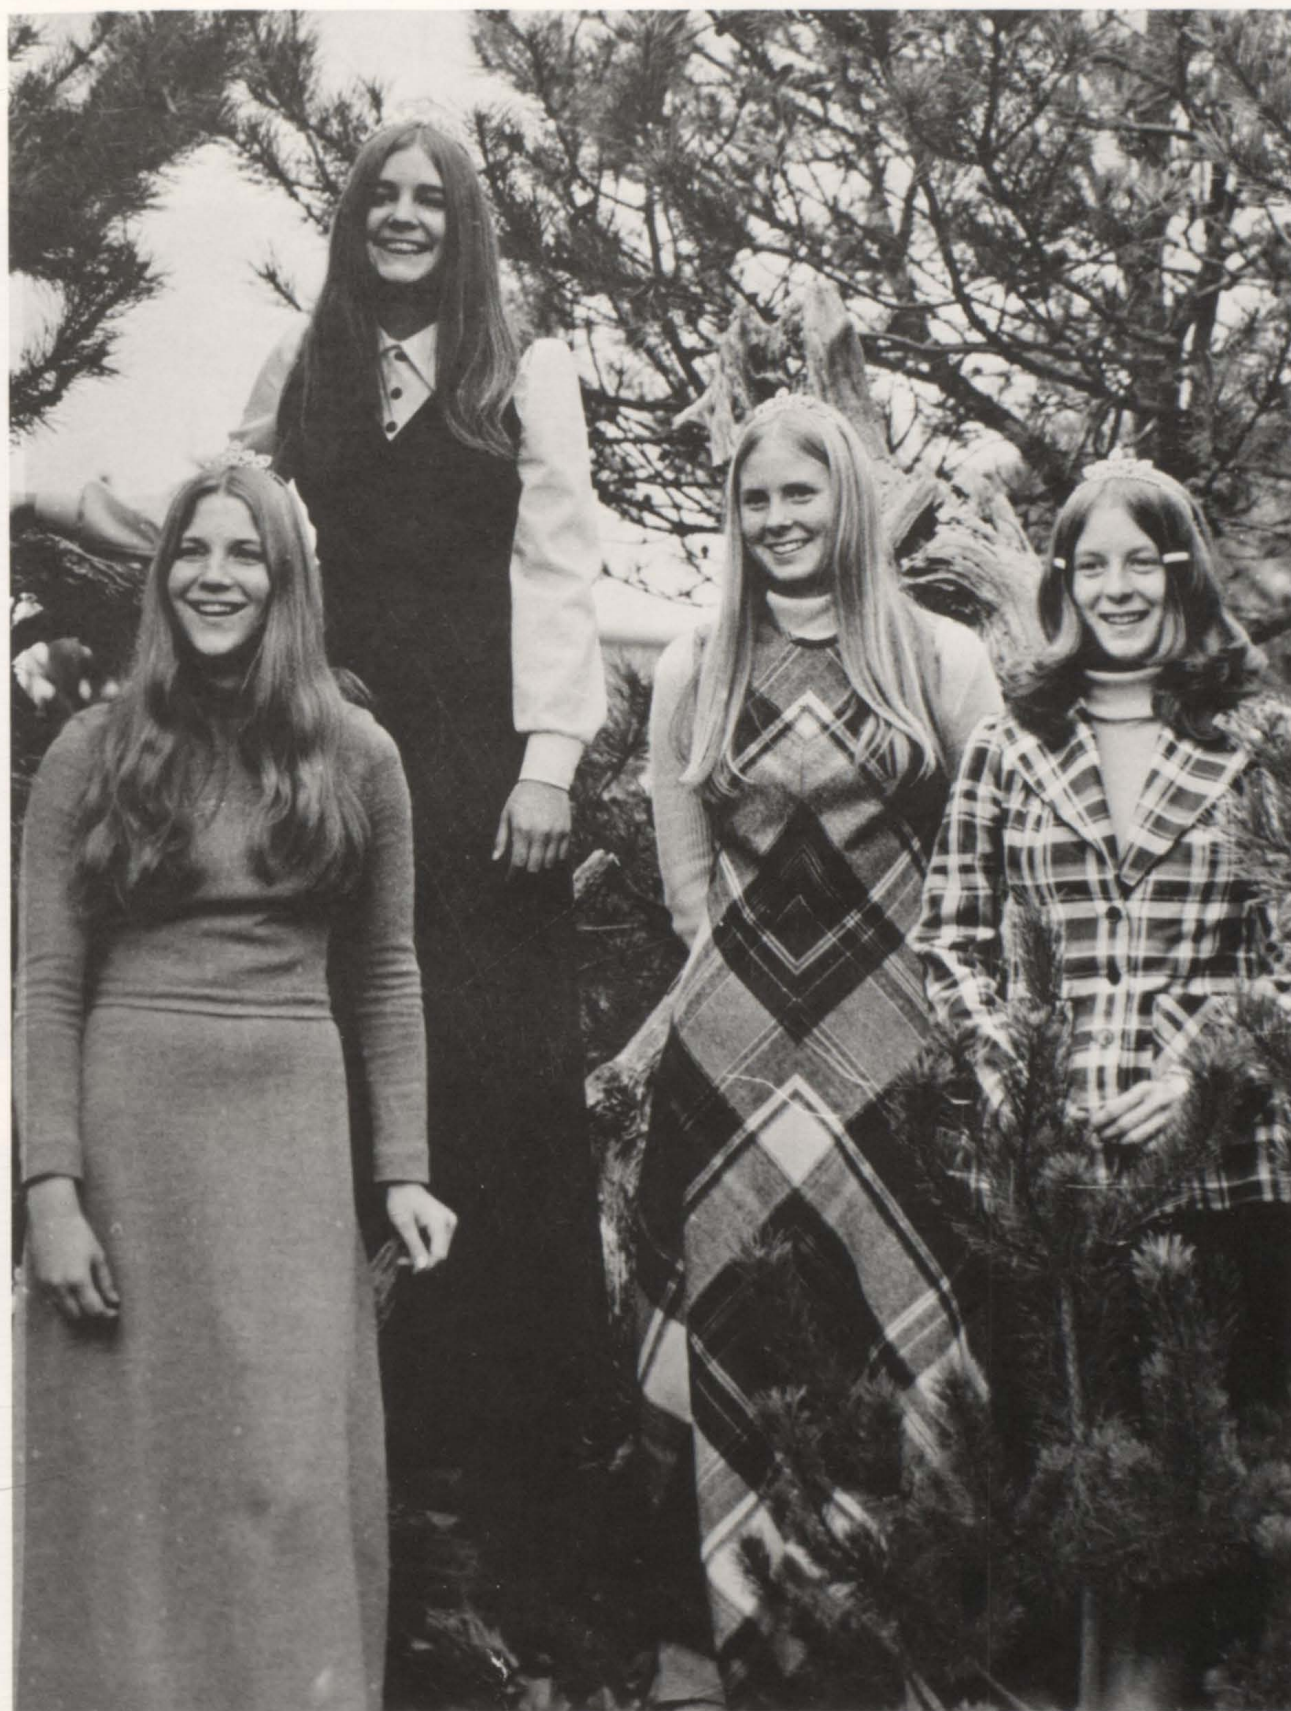

No, this isn't good enough for our bonfire.

Homecoming came in with a SPLASH and this is putting it mildly. An anticipated \$30,000 worth of damage to the gym floor and hours of hard work to clear halls of water is no joke. Many students carried hard feelings toward whoever turned on the 9 out of 10 fire hoses throughout the school.

Homecoming could have been used for an example of apathy. The effort put out by Rally and various clubs who sponsored the dating game, costume days, pie throw, etc., was hardly worth it.

But the week ended in a roaring blaze we shall never forget. Thanks to a group of students who accidentally misstook a pile of good alder wood over a pile of scrap. The weeks calamities ended in the Seniors winning the spirit cup.

POWDER PUFF FOOTBALL

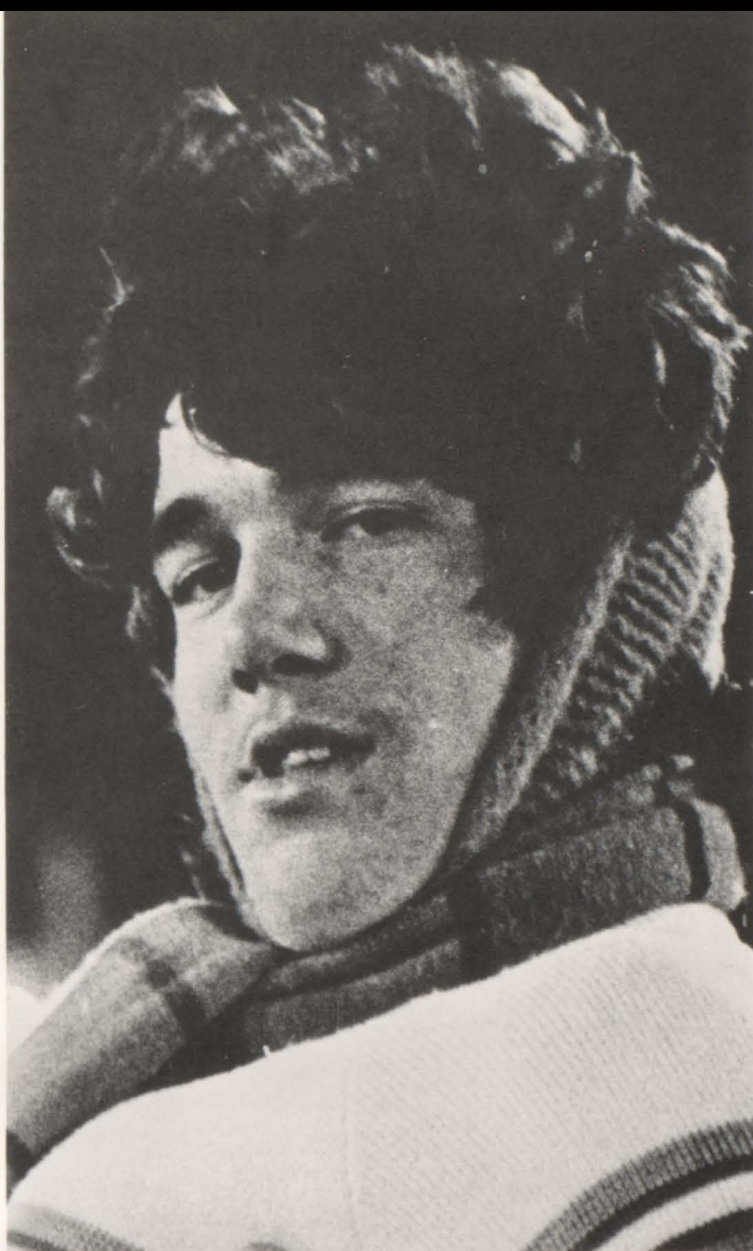

Seniors Restore "Puffer" Tradition

The ever famous Girls' Powder Puff Flag Football Game was brought back to Seaside's history at 8:00 on October the 21st. by the mighty Seniors of 73!

After weeks of rough and tough practicing, our brave girls blessed their magical tennies, while our ever popular men abandoned their masculine clothes for funky, groovy threads from out of the past.

The RED TEAM consisting of the SENIORS and Freshman, chose to overpower the thrilling and suspensful game by beating their competitors, the whites by a hair-raising score of 8 to 6.

Upper Left: The Sensous Senior Cheerleaders lead their Red team on to victory!

Hey big boy whatcha doing after the game?

CROSS COUNTRY

Over The River And Through The Woods

Eight upperclassmen runners braved rugged terrain, rainy climates and traveled to ten league meets while representing the 1st. Cross Country Team from Seaside High School.

The newly established team, coached by Coleman Beghtol were undefeated in dual meets.

Getting lost in the Crown Mainlines and being passed by the smiling coach riding high in a comfortable truck, were some of the highlights for the year as the dedicated men conditioned by running their nightly five to ten miles.

Jim Beck did exceptionally well placing 5th. in District and now holds the schools record for the 2 1/2 mile at 12:28; other runners were: Ted Ames, Bruce Fitzpatrick, Tony Harrison, Paul Montgomery, Rod Pearsall, Brett Pollock, and Ed Strom.

FOREIGN EXCHANGE

"Felix, The Philippine Seagull."

Felix Ilagen Jr., Seaside's 1973 Rotary Foreign Exchange Student, came to Seaside High School from Manila, Philippines.

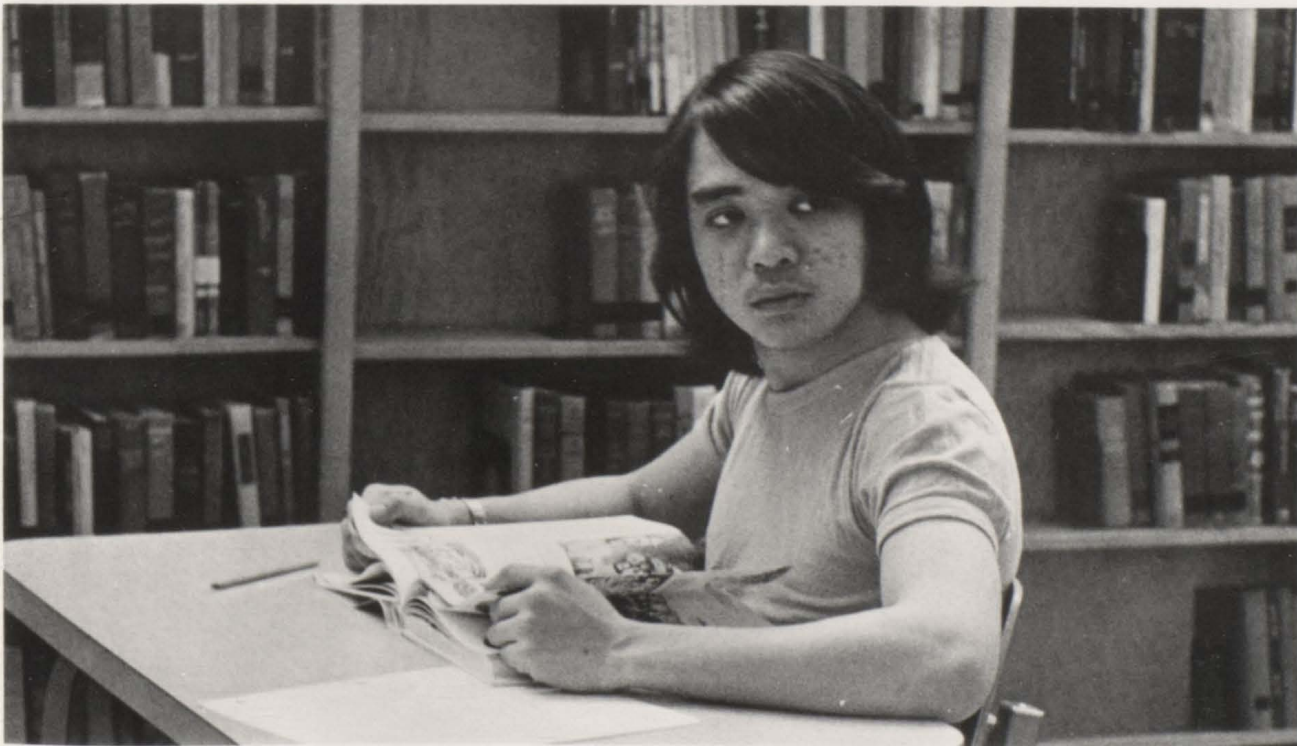

Prior to his arrival, Felix attended a large, private boys' school which omitted the 7th. and 8th. grade.

Felix has played an active roll both academically and athletically. He was the Varsity Football and Track manager, the Senior Class Vice President and an honorary honor cord graduate.

Felix enjoys sports, riding his ten speed, playing the guitar and singing.

He displayed his musical talents by performing at the State Rotary Convention at the Civic Center.

Felix someday hopes to become a journalist, possibly extending his American visa.

Having Fun Relieves Tension Of Competition

Girls Athletics has become stronger over the past two years as more competition with league schools and games with the near by Job Corps were played. More fun than competition highlighted much of the season as the spectator crowd enlarged.

FRESHMAN

Baby Gulls Dominate Yell Contest

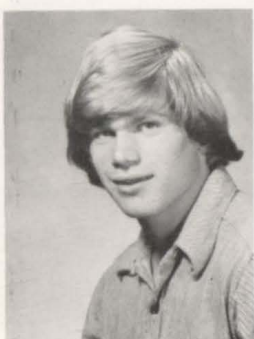

This year has been an all around exciting year for Freshmen, a very productive and growing year, it's where they learn what's what and who's who. Besides having an exciting year, they've won the majority of the yell contests if not all of them. Upper-classmen wish all these "big mouths" the same strength of voice next year as Sophomores."

CHRISTMAS BALL

Andi Reed Reigns Over Mistletoe Couples

The Christmas Ball, themed Moonlight and Mistletoe, was a success aside from streamers which decided to droop during dances. White Caps intending the dance to be something special, selected a unique location at the Sons' of Norway Hall. This was an added surprise which captured the mood of the golds and greens displayed in decorations.

The band, Myst, was just as enthusiastic with the evenings activities as were the White Cap members. But as usual it was hard to arouse a response from the crowd. Couples spent intermissions looking for their name tag keepsakes, conversing with friends and singing Jingle Bells with Santa.

The occasic. took three months of planning and hard work. The location made it possible to have more outstanding decorations so the White Cap members worked long hours making decorations and decorating for the dance.

Right- Ron Bode tells Santa that he longs for a new red wagon.

Below- The band played various types of songs but most liked was the old fashioned rock and roll.

STAGE BAND: (back row) Gene Poppino, Duane Larson, Dan Stanyer, Chuck Armstrong, Jim Barner, Dan Bunnage, Tom Olson, (middle) Brett Pollack, Don Smith, Ralph Dichter, Cliff Pearsall, Kieth Chandler, Ron Zuber, (front) Kathy Dye, Anne Buerk, Cheryl Calahan, Lauren Lovell, Gary McCorkle, (not pictured) Julie Chapman, Leslie Doyal, Leah Griffith, Sue Harris, Barbara Hill, Denice Kittle, Sue Millikan, Carlton Ward.

Very few people realize the importance of the band. They play for many of the school functions such as pep assemblies, football and basketball games, graduation, not to mention their own concert performances. With all this practice no wonder they were rated "excellent" at a festival held in Astoria.

CHOIR

68 Students Turned Out; 40 Singers Chosen

While music has always been a love of students at S.H.S., last years successes at various performances drew many eager new voices this year. So many that new classes were started such as Girls Glee.

Students have found many rewards in being able to join in song. Some have even momentarily forgot that they were shy and timid at heart.

Because of the vast number of singers we ask that you consult the index or class photos for identification.

RALLY

Gullettes Swoop Athletics Up Up And Away

Spectator sports play an important part for both the residents of Seaside and the high school students. It is therefore important to have a rally squad such as this year's who can lead the crowds enthusiasm and squelch its anguish. Besides being fun it takes hours of work on the part of the girls.

In future years girls will apply for the honored position by being selected by a group of judges—not by the student body as had been the tradition. The judges will consist of students and teachers who will judge skills, leadership ability, and dance performance.

VARSITY BASKETBALL

High Flying Gulls Post Record Year

Failure to win the big ones was the heart-ache of the Gull hoopers in the 72-73 basketball season. A hustling, scrappy squad amassed the best win loss record since 1961. Stiff competition dealt out by league opponents Tillamook, and Scappoose stifled any tournament hopes held by Seaside. Victory breeds expectation of future success captured in Coach Elliot's comment, "Seaside is back to stay as a basketball power in the Cowapa League."

PROM

Love Is Togetherness On The Dance Floor

The Prom proved to be a very enjoyable occasion by the bright smile shown (left) on Marianne Baty's face. Although the band, Wesak, was slow to start, due to organ difficulties, it produced pleasurable music. For three consecutive years the Prom has been held at the Astoria Country Club. This year was just as successful. A large group attended which caused a crowded dance floor, but a lot of togetherness.

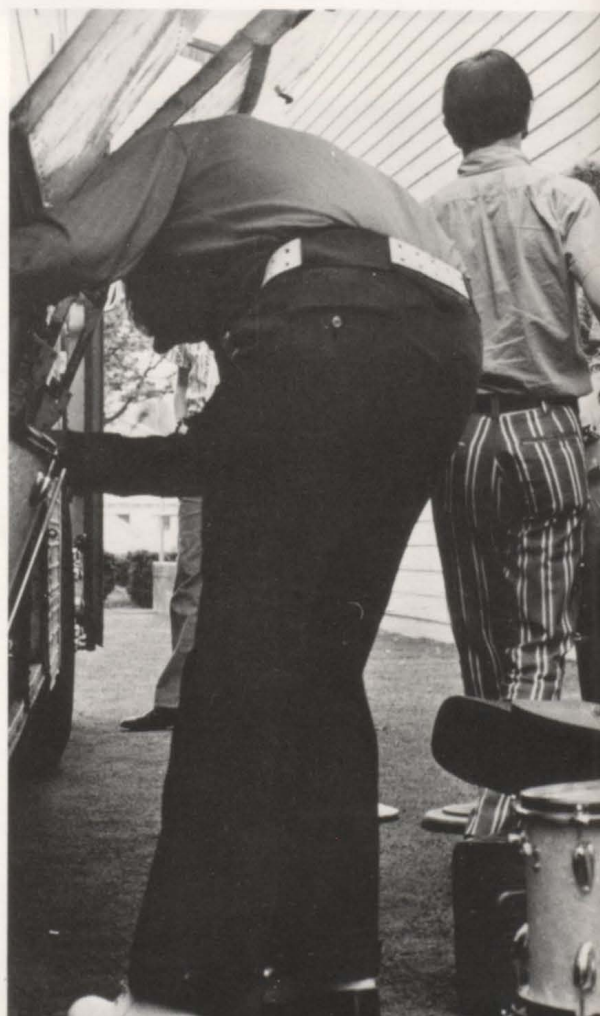

SWING CHOIR

Students Strain Tonsils For Top Honors

For the third consecutive year, Swing Choir captured first place at the Mt. Hood Jazz Festival, acquiring the title of "Best in the Northwest". Swing Choir worked their way to this goal by participating, throughout the year, in jazz festivals (placing second at the Optimists Club Contest), performing in the production of "Bye Bye Birdie", taking a three day tour of Oregon schools, and doing other gigs and performances. The members should be commended for their effort and dedication.

MUSIC TOUR

Choir And Stage Band Tour Oregon For 3 Days

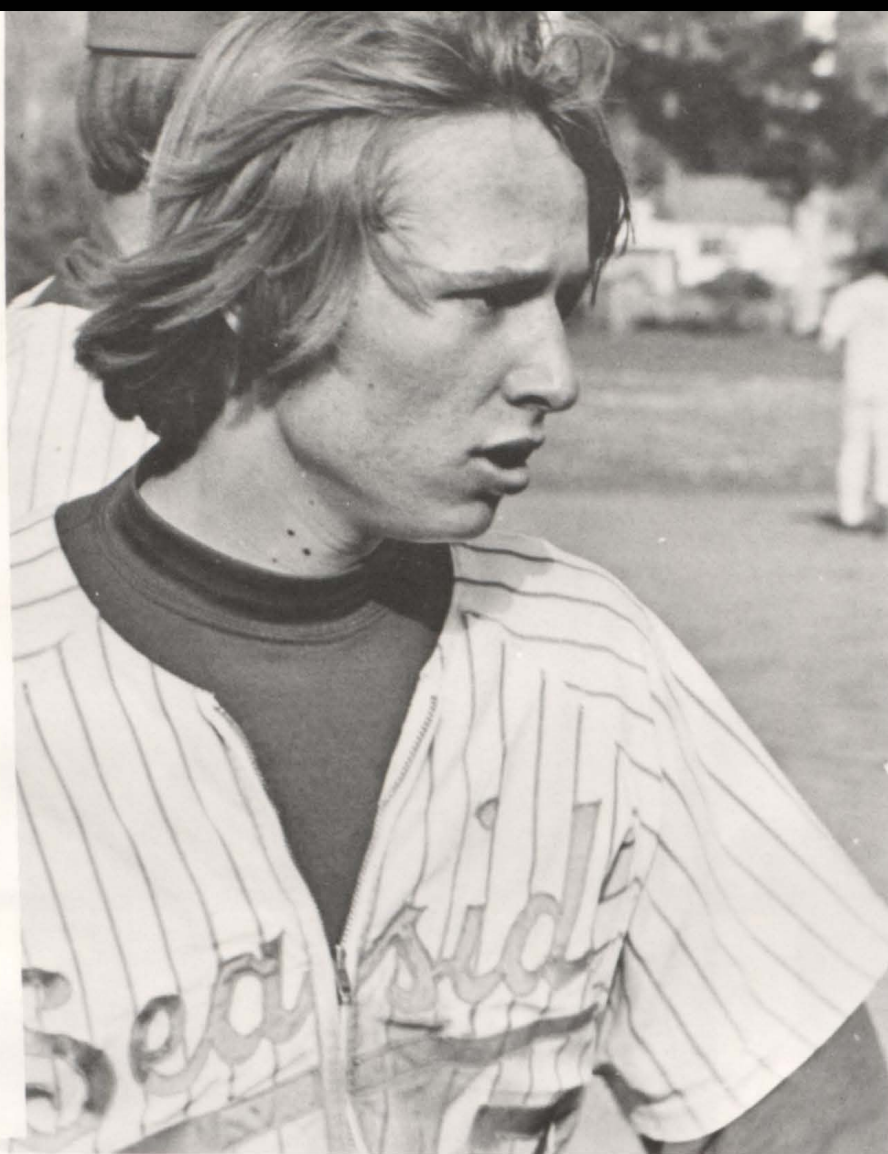

With closed suit cases and open mouths, the Stage Band and Swing Choir set out on a tour of North and Central Oregon schools, singing and swinging their way through Vernonia, Banks, The Dalles, Moro, Rainier, and Knappa.

Ice skating, bowling, swimming, and lots of eating were activities accompanying the night stops at Portland and The Dalles. These were a nice reward for the many hours spent, (selling candy and cards, washing cars and holding rummage sales), to raise money for the tour.

(Above) Rhonda Marlnee looks over the days agenda.

Getting to bed late and getting up early didn't agree with many people. The only rest some people got was on the bus (shown left by Julie Chapman).

VARSDITY BASEBALL

Gull Stickmen Defend Baseball Dynasty

Coach Jim Auld's golden glovers failed to turn the trick in defense of their AA state crown as they bowed to Yamhill Carlton 1-0 in the quarterfinal game. Led by seven senior players the Gull machine triumphed over the tough Cowapa League for the third consecutive year before succumbing to Yamhill Carlton in a thriller. Inspired play and emphasis on special skills left its mark in a victorious season record of 28 wins against 10 losses. This '73 team can be regarded as a group of winners bound to new heights in whatever they aspire in the years to come.

JV BASEBALL

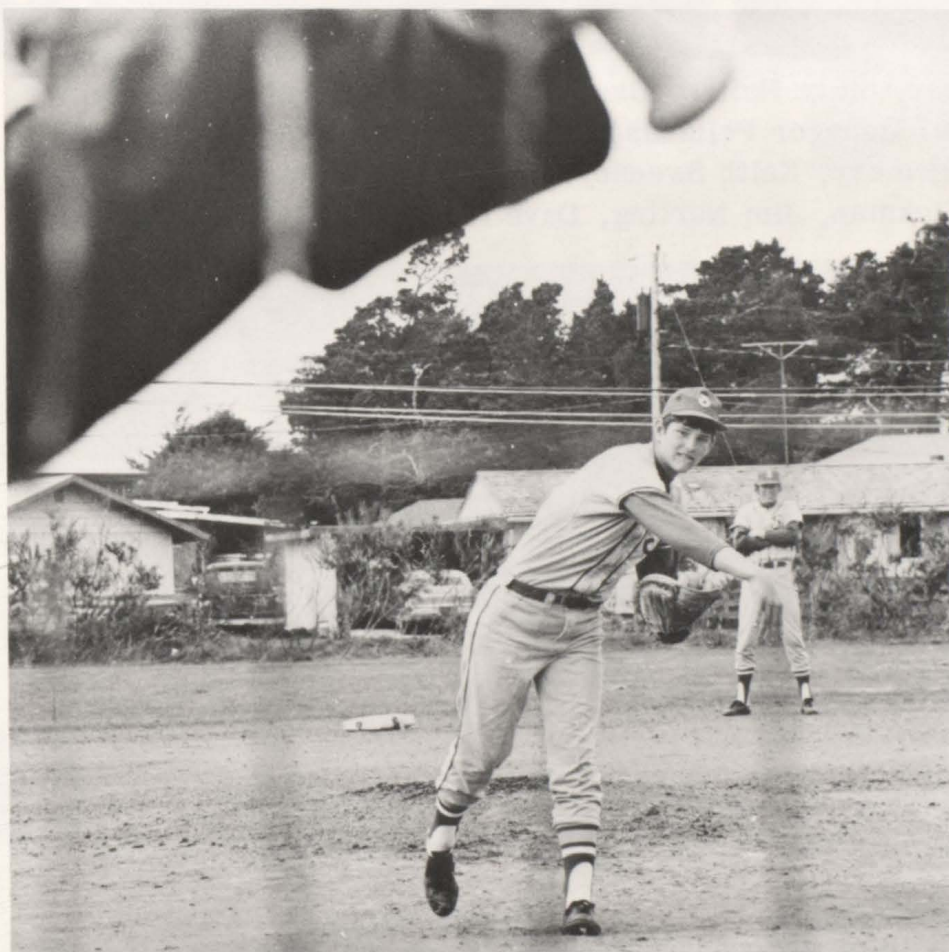

JV Squad Wields Deadly Bats

Competing against several varsity teams and still accumulating a thirteen and two season record speaks of the quality material coach Ed Johnson had to work with in the JV program. Special recognition was bestowed upon Mike Hartman, Team Captain, Scott Maltman, Most Inspirational, and Terry Hendryx, Most Improved Player. A young team composed of only sophomores and freshmen displayed the ability to win which the varsity program will inherit in its winning tradition.

BOY'S TRACK

Young Thinclads Threaten Old Records

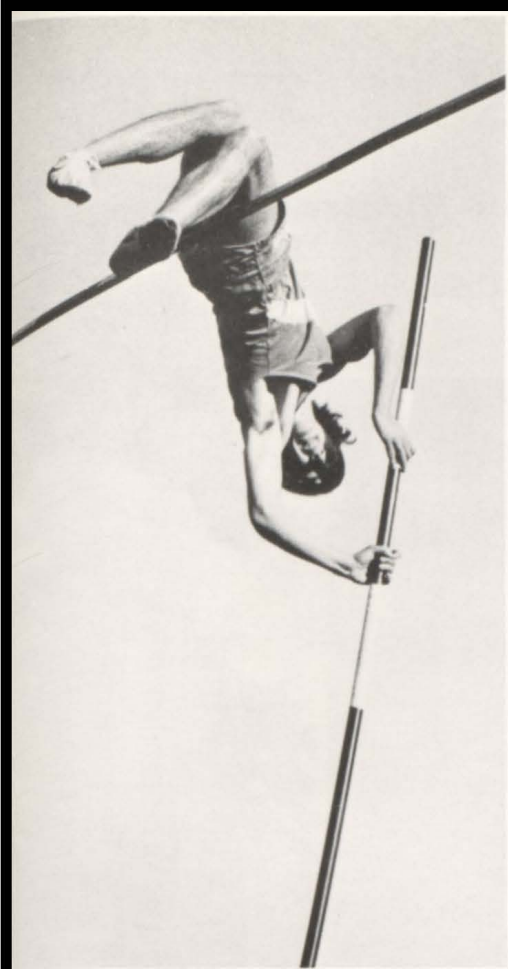

Under the direction of new coaching staff, Gene Gilbertson and Larry McClellan, the track team had mostly a building year. The majority of the team consisted of sophmores and juniors. However, some outstanding performances were recorded. Gary Williams reigned as the Cowapa League Sprint Champion in the 100 and 220 dashes. The 440 yard Relay team (of Joe Wahl, Rod Pearsall, Gary Williams and Joe Soulagnet) came within .2 of a sec. of the school record. Finally Keith Sweeney broke the school record in the pole vault several times until he finally settled for 13'3".

GIRLS TRACK

She-Spikers Challenge Boy's Track Abilities

Throughout the track season, the girls track team tried to keep up with the accomplishments of the boys. They finally succeeded in overtaking them by capturing the Cowapa League Championship, then going on to become Regional District Champions, (Sending six girls to state).

The six girls who were eligiable, the events they participated in, and their results are as follows: SUE JUSTICE (long jump-placing fifth, 440 relay-fourth, 880 medley) LOIS EARL (440 relay-fourth 880 medley) KATIE KERO (lloyd. dash-State Champ., 200yd. dash-second, 440 relay-fourth) PATTY KERAHUL (440 relay-fourth, discus, 880 medley) MARCIA MOSAR (880 medley) PATTI O'DONOVAN (880yd. run-seventh).

For their efforts, these girls captured seventh place out of 40 participating teams.

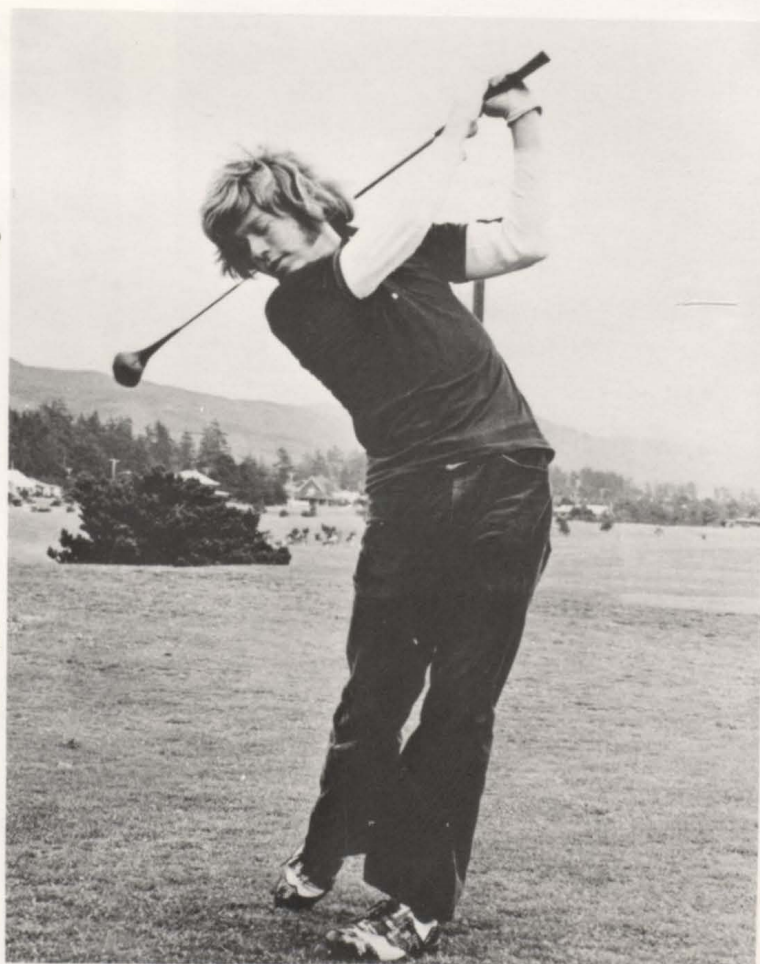

GOLF TEAM

State Tourney Adopted Home-Away-From-Home

A dedicated team, hard working at improving, promises a winning team the next few years. All matches were won although later forfeited because of an ineligibility of a senior member. Tom White, team captain and #2 man most of the year, because of the ineligibility couldn't participate in state and district tournaments. Our golf team was undefeated in its league and won district by a good 27 strokes. Mitch Mooney's consistency and strong game won him the honors for the All State Team.

Bringing home a 4th. place in State were Mitch Mooney, Ben Morrison, Scott Maltman and Jeff Ter Har

Too Young To Know Where We're Going . . . Too Old To Go Back Again

GRADUATION - 1973

Close friendships were many among the 107 Graduating Seniors of 1973. More Seniors turned out for Graduation activities than previous years to make the 73' Graduation highly successful. The Seniors tentatively plan a 5 year reunion and are urged to keep in

touch with Marianne Baty, Laura Furnish and Andi Reed.

Many outstanding activities and awards will be remembered. Although State Championships were not recaptured our students excelled together both academically and athletically. Science projects were many, music awards were numerous and the Newspaper staff was comended for their journalistic endeavors.

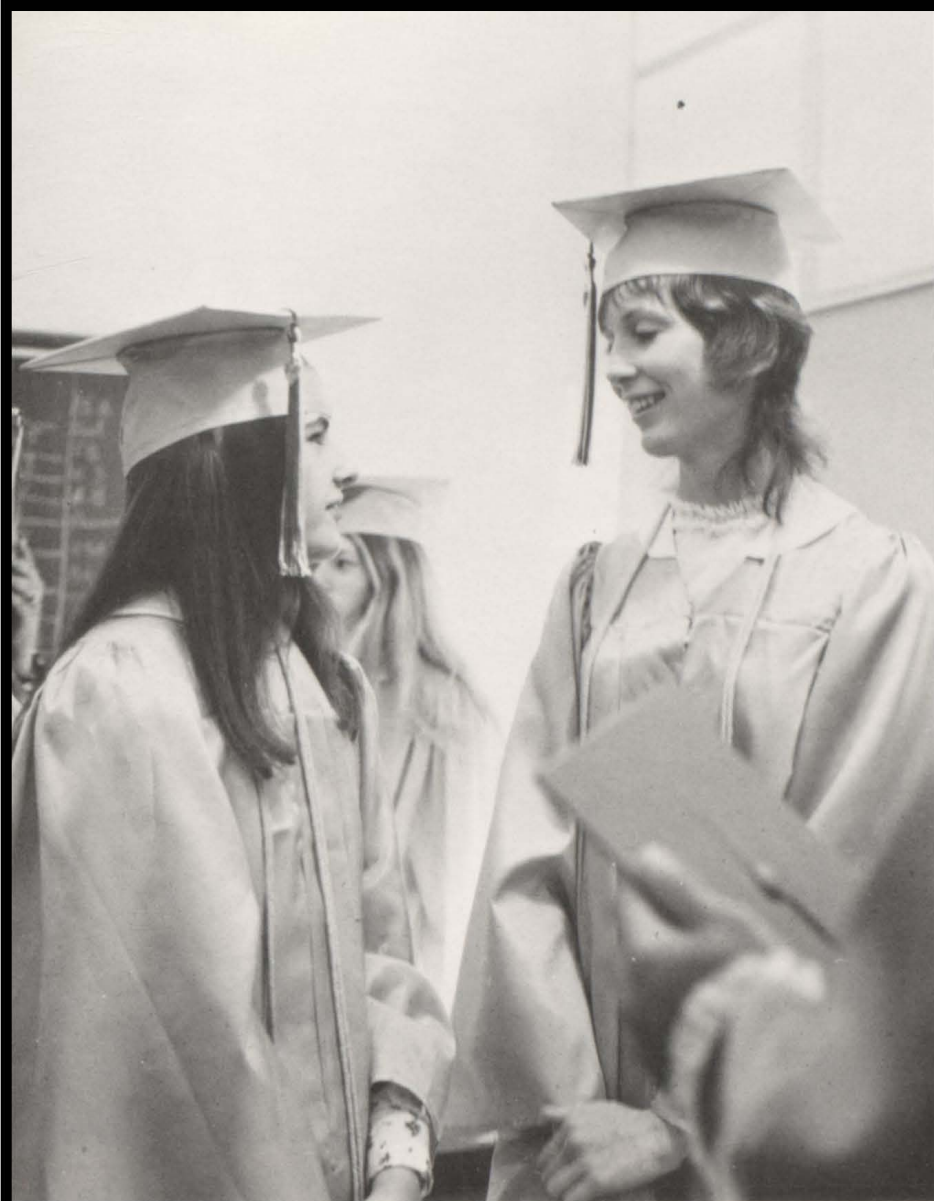

The Powder Puff Football Game, a successful Senior project netted the Seniors with the money to have an exciting night out at the Sons of Norway Hall after Graduation jiving to the good sounds of Wesak until the wee hours of the morning.

Kym Setzer assists Nancy Sandberg Gilmore with last minute gown preparations.

Seniors, Willy Hornbeck and Chris Pardee, caught in thought while listening to the student speakers at Baccalaureate 73'.

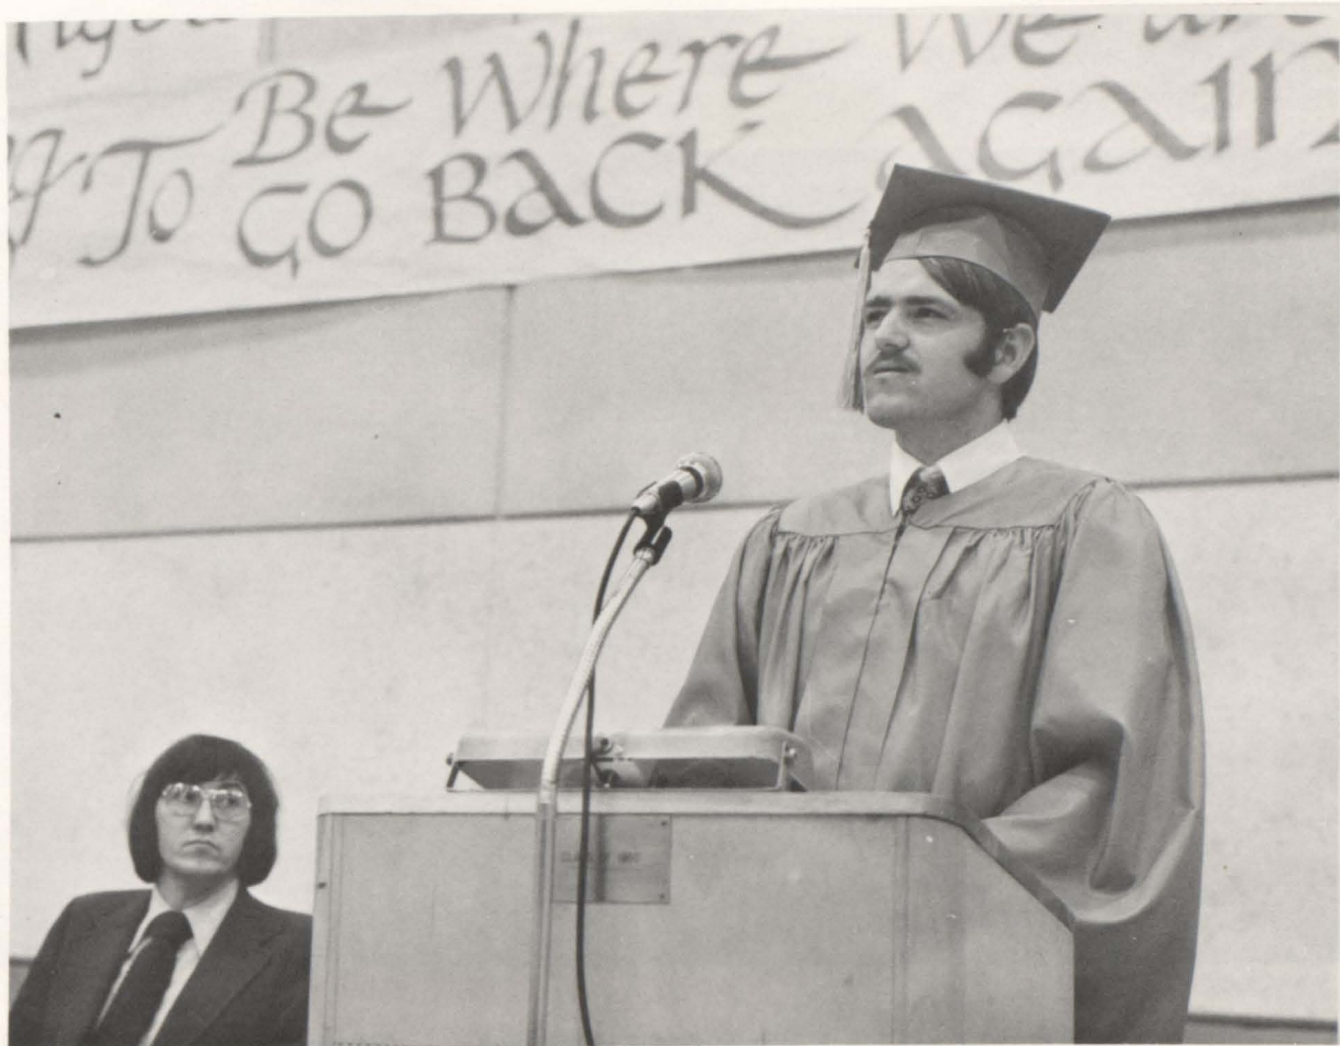

Pam Comstock and Jennifer Ellison nervously waste the final moments, reminiscing about the good times.

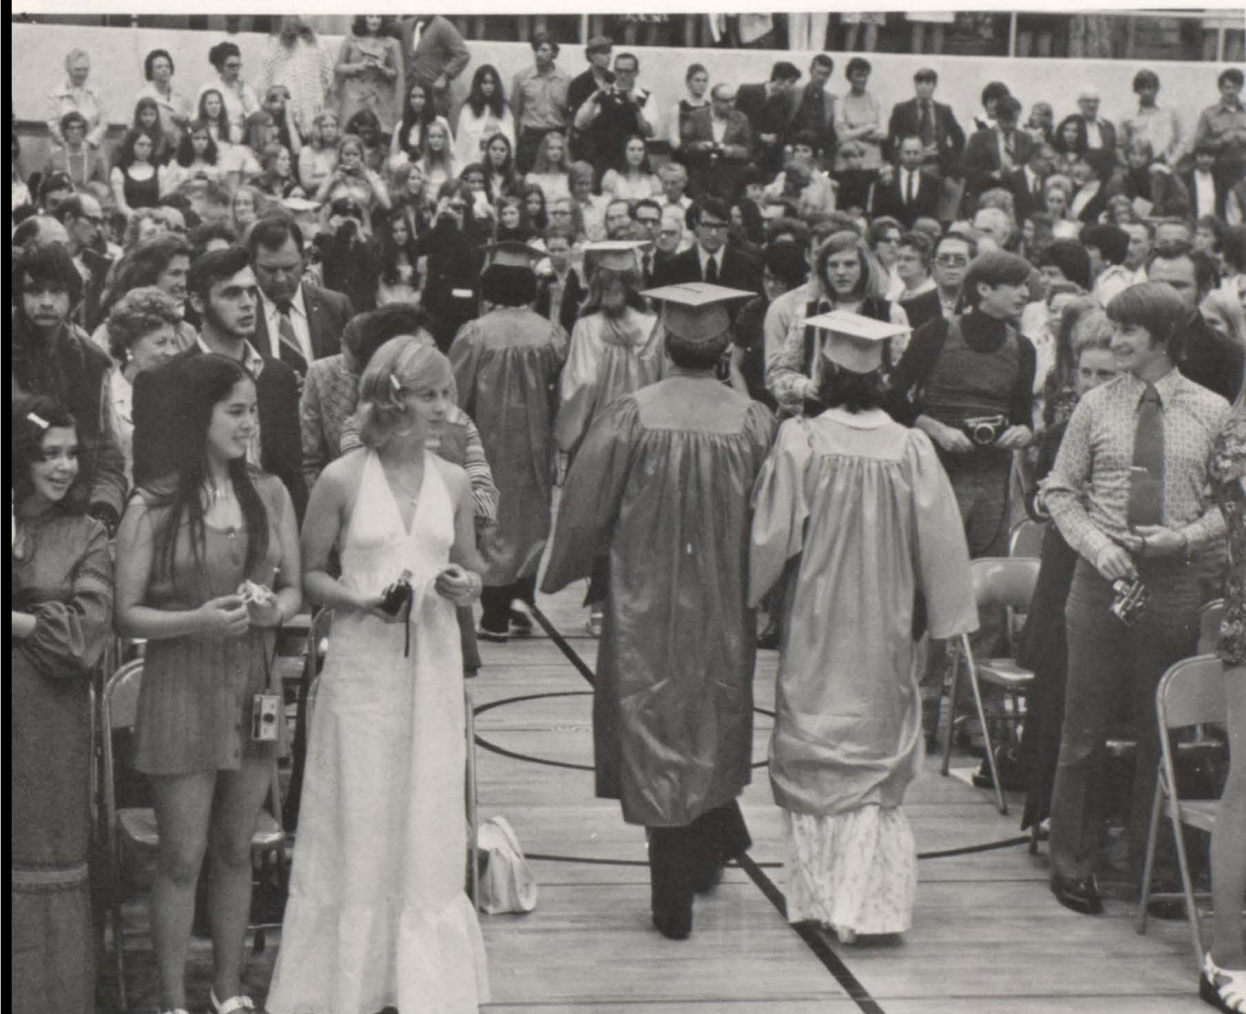

We Know What We Are, But Know Not What We May Be-

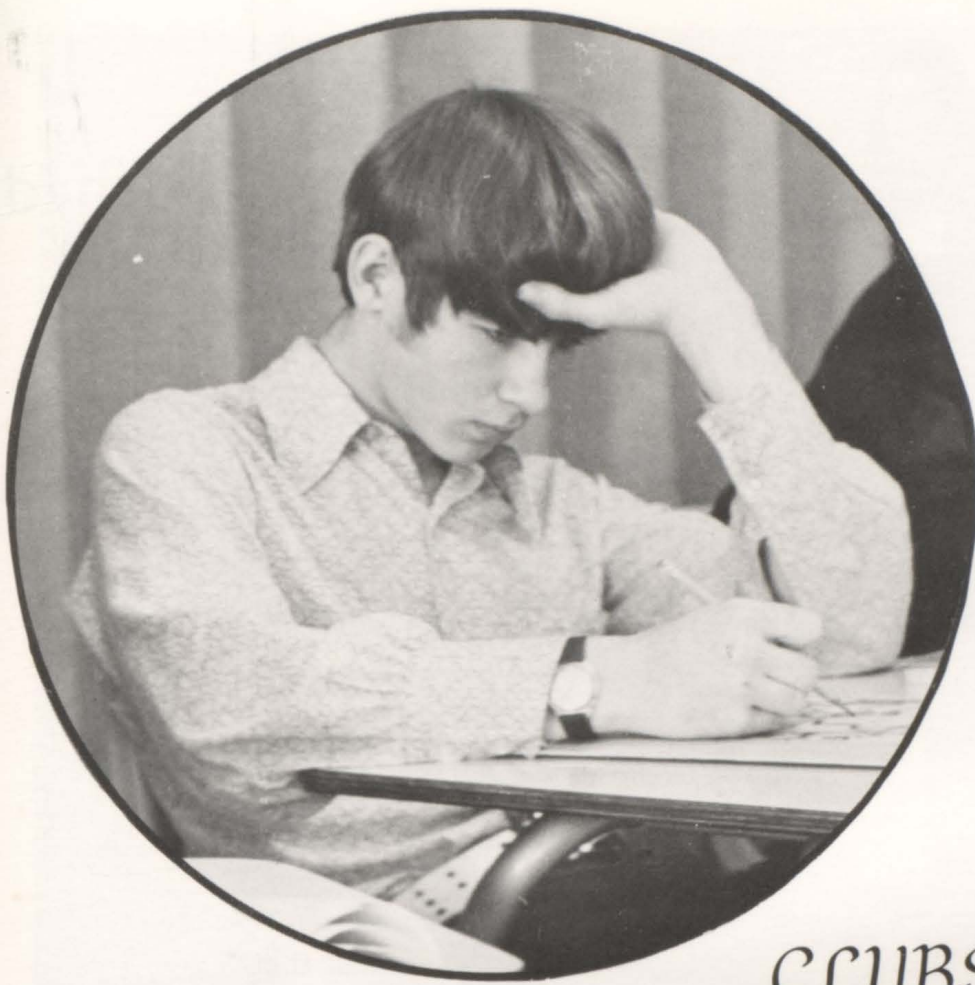

John Zimmerman, Class Valedictorian, delivers his speech, entitled "Faith."

CLUBS & ACADEMICS

STUDENT GOVERNMENT

Open Council Abolished; Old System Restored

Seaside High was the first school to ever change the traditional Student Government to an open council. Students accepted the changes, however lax rules and no guide lines resulted in an attendance fall back, therefore leading to the total abolishment of the council.

Popular student demands and requests lead to the rapid re-establishment of the council, highlighted by the traditional political conventions. The convention memories linger on with Women libber chants for Liz Pittard while others vocalized that Wickman's no. 1. Spectators and enthusiasts stated that the conventions were the best that S.H.S. has ever seen or had.

Teachers Create New Classes To Promote Interest

Attempting to follow the pattern set by the English department, social studies teachers broke from traditional classes into classes of human behavior, sociology, American Institutions, USSR, Labor and Reform and many others. New classes were also added to the many English classes already being taught. Superman and Other Folk Heros along with many additions in American Literature were added. Science took a step outside as students participated in many field trips. Journalism and Science combined forces at the beginning of the year in a media battle with environment and Shop classes added a bus barn to the district's buildings.

Arena Scheduling Speeds Up Registratrration

When electives were first added to the curriculum at Seaside few people realized the many changes that would need to follow. After the English teachers first attempt at electives back in 1967, the other departments began to watch students eagerly seek out the different classes. Other teachers began looking for changes in their programs as well.

We now enjoy numerous classes and therefore need a quick means of getting scheduled. The Arena method seems to do the job. This year students and some teachers worked on new classes and tried to fit a schedule that would meet our needs. It would appear that those needs were met as our scheduling was the fastest we have used .
